At a special meeting held in the High School building Monday evening, the Waterbury Mothers' Club voted to sponsor the purchase of an inhalator as added equipment for the Village Fire Department.

The inhalator is vitally necessary and used in conjunction with artificial respiration in saving the lives of those nearly drowned, asphyxiated by either gas or carbon monoxide or electrical shock. It should not be confused with the pulmator which being a mechanical affair was very unsatisfactory in many ways and probably lost as many lives as it saved.

The firemen have spent considerable time and effort in studying and attending first aid classes every week in the anticipation of this purchase so that they would be better able to use it to advantage.

Several local organizations will be called upon to help as the purchase price is two hundred dollars, including two extra tanks which enable it to be used for several hours without refills. It is hoped they will all appreciate the necessity of such an apparatus so that the fund may be quickly reached.

All checks should be made payable to Mrs. Stanley A. Morse, Chairman, of Inhalator Fund who is being assisted by the following committee, Mrs. W. D. Hall, Miss Clara Pierter, Mrs. Francis Miller and Mrs. Kenneth Littlefield.

At a meeting of the Parent Teachers Association held last evening the sum of \$25.00 was voted to this worth-while cause, while the local Boy Scouts also voted \$5.00 for the fund. With the \$25.00 which was first donated by the Mothers' Club, the originators of this project, makes a quarter of the amount already donated with several more organizations yet to contact.

WATERBURY HIGH SCHOOL

In an interclass cross country meet held last Friday the Sophomore Class came in victorious although the first to cross the line was Harold Werner. He was followed by Eddie Morse, Gilbert Goff and Capt. Kimball Kennedy hand in hand with his teammate Loren Durett. Sophomores 36, Juniors 47, Seniors 51, Freshmen 76.

Paul Howland and Waldo Martin went with the National Guard to Rutland last week-end.

Edmund Anair, a Sophomore at U. V. M. was a visitor at school Thursday.

Joan Eldredge, a Freshman at U. V. M. was home last week-end.

The three one-act plays which are to be given to December are as follows:

TROOP ONE Waterbury

Troop 1, Waterbury, was represented at the annual American Legion fair by a booth showing equipment, literature and handiwork. A fine showing of model airplanes was made.

Monday night of this week the Silver Fox Patrol enjoyed a swim period at the Community Y pool in Burlington as an honor award for October. Highest rating in attendance and ap-
